

Motorcycle & ATV Checklist

- The maximum size for a motorcycle move is 108" long and 46" wide. ATV limits are 90" long and 60 " wide. If you unit it larger than these measurements please call us at (800) 730-3151.
- In order to move a motorcycle, the steering needs to be unlocked and the keys removed. We suggest you send the keys and/or paperwork via [FedEx](#).
- The battery must be secure and the battery cables must be protected from causing an electrical short, and the fluids must not be leaking.
- All loose items or removable items should be removed prior to your motorcycle move. Please empty saddle bags, glove boxes, etc. These items are not included in the valuation coverage.
- Both the pick up and drop off locations must be [tractor-trailer accessible](#). An 80-foot long truck must be able to maneuver to and from each address.
- Someone must be available at the locations you have chosen for pick up and delivery during the hours of 8-5 Monday through Friday. The contact phone numbers for those persons should be direct lines. Cell phones are usually the best.
- The fuel tanks on shipments moving to, from or within Canada must be drained.
- Review our [contract](#).
